

"Fairway Friends" Mentoring Program

The EWGA Fairway Friends Mentoring Program is available to all EWGA members.

The program teams experienced golfers with newer golfers to help them feel comfortable on the golf course. Mentoring is what EWGA is all about – helping women enter the game of golf in a fun, supportive and welcoming environment! This is a win-win for both mentors and mentees!

The Program runs from January 1 – October 31.

Mentors Needed!

Are you an experienced golfer who knows how to get around the golf course effectively, regardless of your golfing skill? Do you have an understanding of the basic rules (such as where to tee off, how to mark a ball, etc.)? Are you comfortable with pace of play and etiquette on the golf course?

If so, you may be a part of helping a new golfer find the fun and enjoyment that golf and EWGA has brought to you! A mentor is responsible for helping a new golfer get comfortable on the course and learn about basic rules, etiquette, pace of play and how to participate in EWGA!

Interested in Having a Mentor?

The Fairway Friends Mentoring Program offers an opportunity for a new golfer to have a “golfing buddy” to help make that transition from instruction to playing golf. This program is open to all EWGA members provided you’ve been through a basic level of golf instruction.

An EWGA mentor will help you get around the golf course safely and answer questions about etiquette, basic rules and the other nuances of the game in order to build your confidence and comfort in the golf course setting. Though the mentor is not there to help you with your golf swing, she can help you feel more comfortable playing golf with others on the golf course.
