

## “Fairway Friends” Mentoring Program FOR MENTORS

### WHAT IS THE FAIRWAY FRIENDS MENTORING PROGRAM?

- A new golfer mentoring program available to EWGA members which provides you with an opportunity to give a new golfer or new member what you wish you had.
- It offers experienced golfers an opportunity to support the mission of EWGA by providing opportunities for members new to the Chapter and/or the game.
- It helps mentees to learn all about golf...things like:
  - On course etiquette
  - Pace of play
